4 HORSEMEN OF THE APOCOLYPSE
WAIT A MINUTE WHOSE THAT GUY??????

I have been writing about the misinformation, disinformation and lies found in the Roman Bibles and our Government, etc., for years now. I especially love writing about prophecy at least how I interpret prophecy based on how I see it playing out today. Then low and behold I found this cartoon meme that warms my heart. If you want to know the truth about prophecy or anything else in the Bible you have to DO YOUR HOMEWORK. You see the evil AshkeNAZI Zionist, Sephardic Jew and Merovingian (ASM) Communist Serpentine Bloodline factions of old, who were the controllers over the creation of the Bibles we have today, have lied to us by installing MISINFORMATION, DISINFORMATION AND LIES INTO THESE ANCIENT TEXTS.

It looks like many people are realizing that today. BUYERS BEWARE!

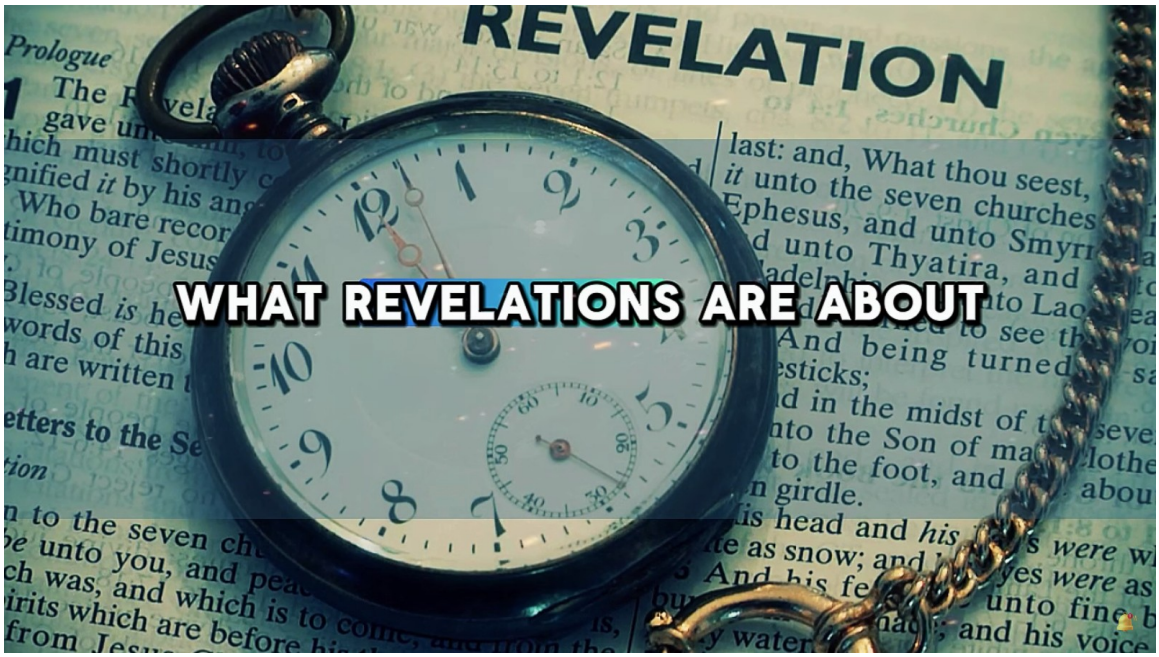
Much of the Misinformation disinformation and lies are coming from Jewish and AshkeNazi Zionism, pagan satanic ideologies that have been added to the Bible and religion in general who engage in the worship of alien-ology ideologies and that includes prophecies. So can we trust prophecy? Hummm! I think the old rule was we need to compare prophecy with what Jesus taught. In the case of Revelations we do not know who wrote Revelations.

Most of us who are interested in prophecy believe we are in the beginning of the 7-Year Tribulation Period right now. That prophecy starts from the time Jesus left the earth until he returns after the 7- Year Tribulation Ends. First comes the 2000 year Church Age which is a time when Jesus message spreads around the world. The next event is the ride of the 6 Horses of the Apocolypse which appears to be going on right now as we are dealing with Iran in what prophecy refers to s the Gog Magog Wars.

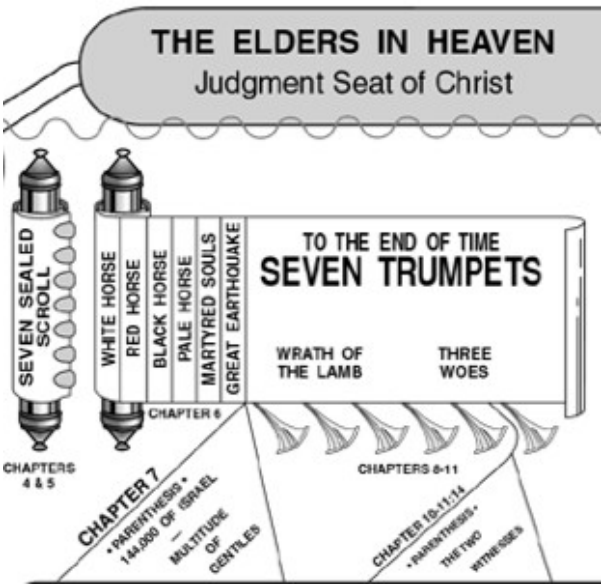
The Four Horsemen of the Apocalypse are figures in the Book of Revelation in the New Testament of the Bible, a piece of apocalypse literature written by John of Patmos. They are not specifically identified there but subsequent commentary often identifies them as **personifications of Death, Famine, War, and Conquest**.

ARE THE 4 HORSEMAN OF THE APOCLYPSE RIDING NOW

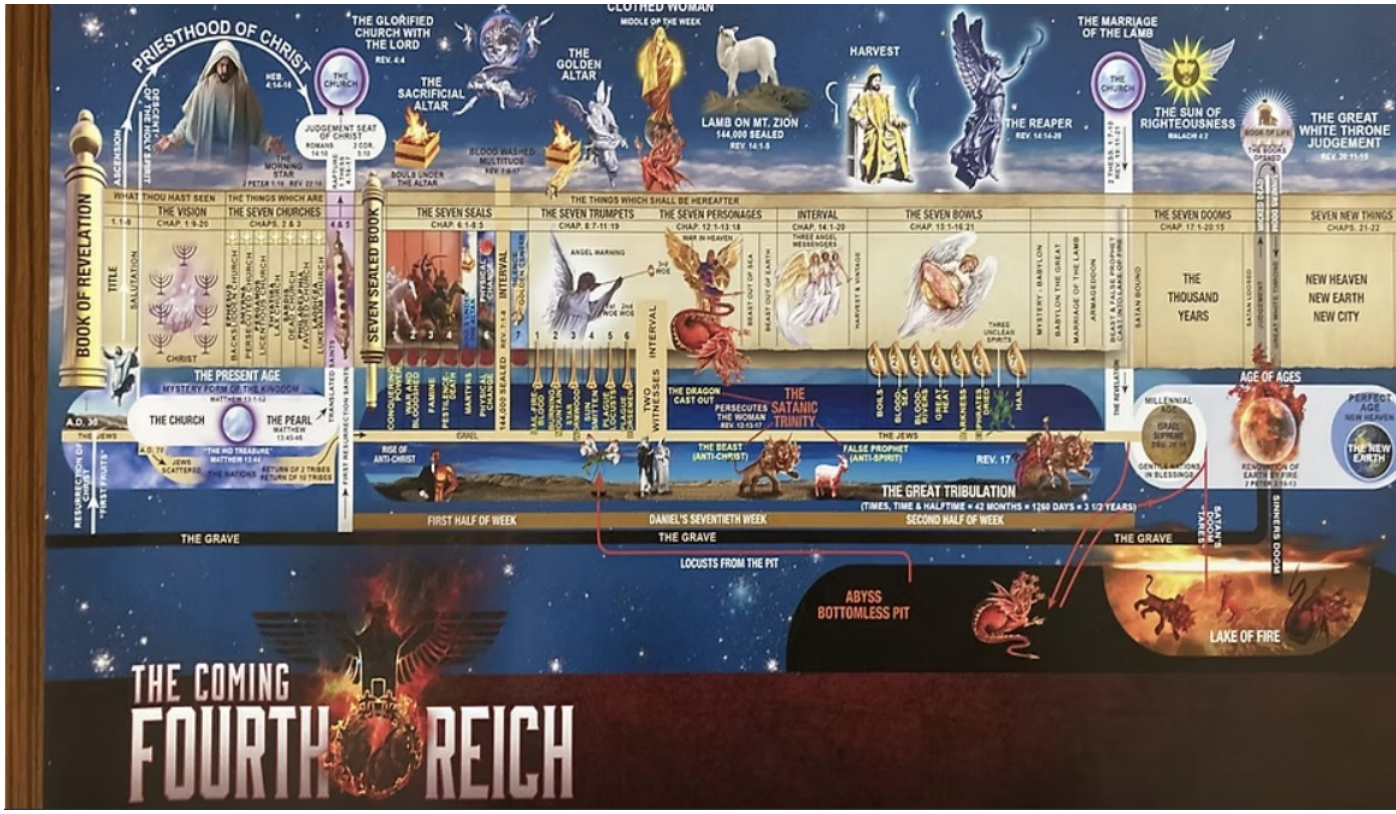
My favorite pod casters are once again being distracted with the BANG BANG BOOM BOOM of wars and rumors of wars just as prophecy predicted would be going on today. Pod casters are identifying what is going on in our world without realizing that we seem to be in the start of the 7 Year Tribulation Period.



Like it or not, believe it or not, the 7-YEAR CLOCK SEEMS TO BE TICKING DOWN TODAY. A big question for us prophecy buffs is WHERE ARE WE IN TERMS OF the TIME LINE OF THESE PROPHETIC EVENTS TODAY, if they are happening?

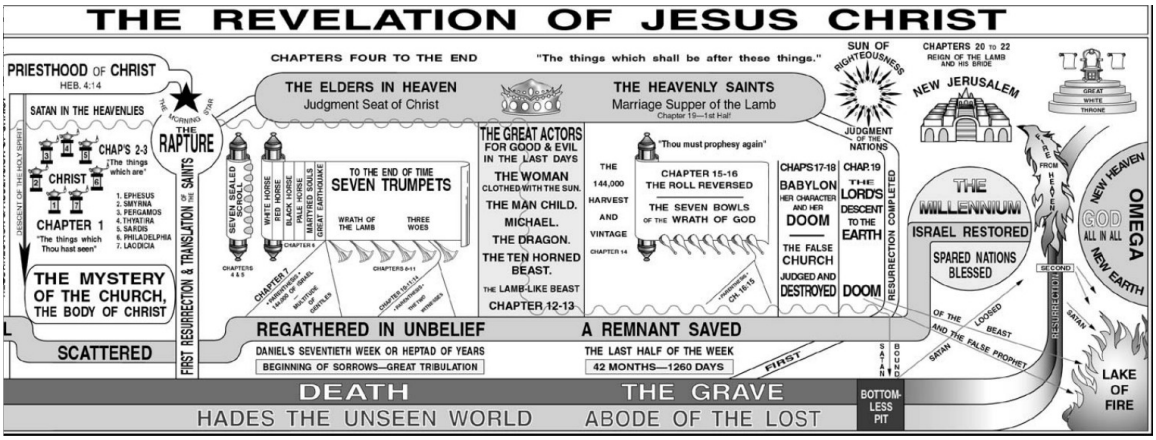


We seem to be living during the ride of the 6 Horsemen of the Apocalypse where evil nations are engaged in wars and rumors of wars after which the Trumpet judgments start.



Here is a little better chart where you can see the ride of the 6 Horseman before the alien angels start to blow the trumpet judgements. These are devistating incidents that will be happening on earth that are known as the trumpet judgements they are warnings of what is to come before Jesus returns. The illustration starts with the CHURCH AGE on the far left that is 2000 years old when the 3rd and 4th Reicht is being set up on earth then next the 6 Horsema start to run during the Gog Magog Wars.

I am very right brained I have to see pictures before I can understand these concepts.



We are here today

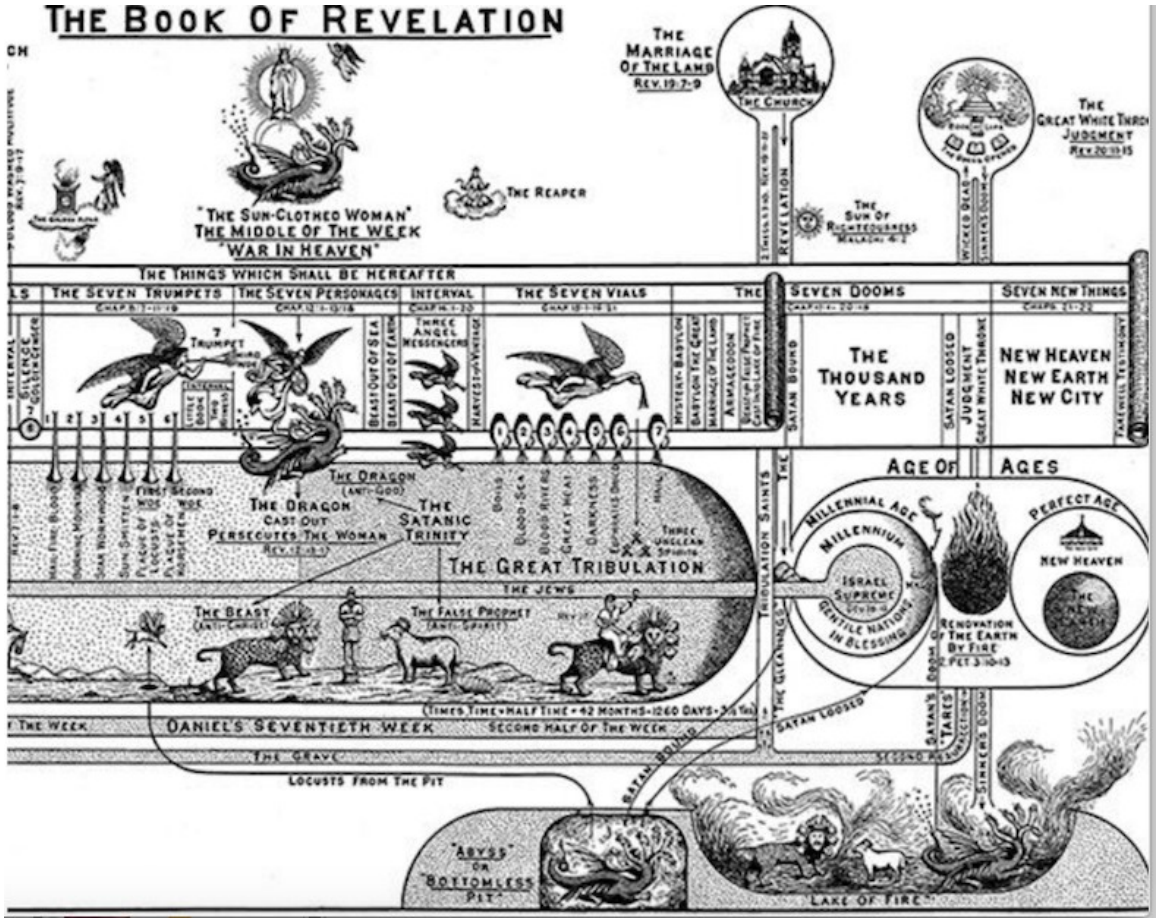
Just after the 6 Gog and MaGog Horseman rides come the trumpet judgements of the BAD GUYS essentially followed by the destruction of the Jewish and Roman Orthodox Catholic and Christian Church (JROCCC dragon) who are being judged for their lies and debaucheries. This happens at a time their is an alien war in heaven followed by the much worse period of the 2nd half of the 7 year tribulstion known as the Great Tribulation before Jesus returns.



After their ride come the Trumpet Judgements just before the ALIEN WAR IN HEAVEN against JESUS AND HIS WATCHERS and the destruction of the JROCCC that is eing destroyed because of her apostacy, lies and debaucheris.

Christian preterists believe that the Tribulation was a divine judgment visited upon the Jews for their sins, including rejection of Jesus as the promised Messiah.

The Gog Magog war we seem to be in today will include attacks from many nations who are against Israel. This will be the final global war before Jesus returns. It includes European nations that will soon engage in the Gog Magog wars.

In this case the Jews include the ASHKENAZI ZIONIST JEWISH movement that is installing Communism in the world today are GOING DOWN. The nation or people who will be saved from much of the destruction appear to be Americans who live in a Christian nation who follow Jesus and oppose the Deep State nations. .

WARNING: Many Christians will not be saved/rescued today because they follow the teachings of the JROCCC. The individuals who will be protected and elevated are a specific group of Christians who follow Jesus TEACHINGS ONLY. They are known as the "MEEK" WHO WILL INHERIT THE WORLD. They are NOT PEOPLE WHO FOLLOW THE TEACHINGS OF THE JROCCC and they also exclude Born Again Christians who Jesus will deny because they NEVER KNEW HIM. They promote a pagan, Jewish version of Jesus known as the Talmud Immanuel, Emmanuel. Jmmanuel whose identity was slipped into the Jesus story in the Bible by the Jews. The Jesus of the Bible was a combination of different figures, which may also have been Apollonius of Tyana.

Example: it now appears that it was the Talmud Immanuel, Emmanuel, Jmmanuel who was born in Bethlehem supposedly died on the cross but in reality survived to go on

to become Isa of India (BUYERS BEWARE) this is all coming out today as truths are being revealed. Christians who claim Jesus died on the cross are not worshipping the REAL JESUS. Christians who promote that Jesus was a Jew are not talking about the real Jesus but promoting the misinformation, disinformation and lies in the JROCCC BIBLES. You will notice that soon the JROCCC churches will be destroyed for their apostasy and debauchery on the charts.

For all of us living in the real world all this seems like fiction yet it is happening REGARDLESS of what the naysayers say. WHO-DAH-THUNK-IT.

General regions of the world who participate in the Gog Magog Wars or who are mainly affected by them

Yes we also seem to be entering the Prophesied Gog Magog wars so let's talk about who is instigating these eastern hemisphere wars from behind the scenes. Let's talk about the fact that the religions they practice were all started by ALIENS "the gods" before Jesus came to town and who are the known enemies of Jesus. Jesus who physically appeared on earth about 2000 yeas ago to warn us about what was coming. He seems to have given us a timeline for when the End of the Ages would be happening today which will be awful for those who do not follow him and engage in the Gog Magog wars, before he returns to CLEAN HOUSE.

Let's talk about what is in front of our faces as these pod casters talk about the BANG BANG BOOM BOO of the Gog Magog events happening today over what appears to be the start of the Gog and Magog wars.

The Tribulation period is 7 years long. It takes place at the END OF THE CHURCH AGE and other ages such as the end of the Mayan Calendar, the end of Pisces and the start of the Age of Aquarius etc., who some refer to as the GOLDEN AGE.

It is a time when Satan and his FALLEN ELOHIM WATCHERS including Yahweh Ildabaoth the Demiurge YHWH, the evil god of the Jews and their DEEP STATE affiliates will be JUDGED and TAKEN DOWN.

This timeframe has been predicted for a long time by various ancient nations who all think their "god" will enter the scene and bring their lands into peace where they will be RUNNING THE SHOW globally. The message they receive from the alien gods is very similar to what Jesus taught.

Another aspect of the various prophecies is the appearance of the Islamic Mahdi or his representative on earth who is encouraging war.

All of this sounds outrageous but it is happening in real time, we can't dispute that.

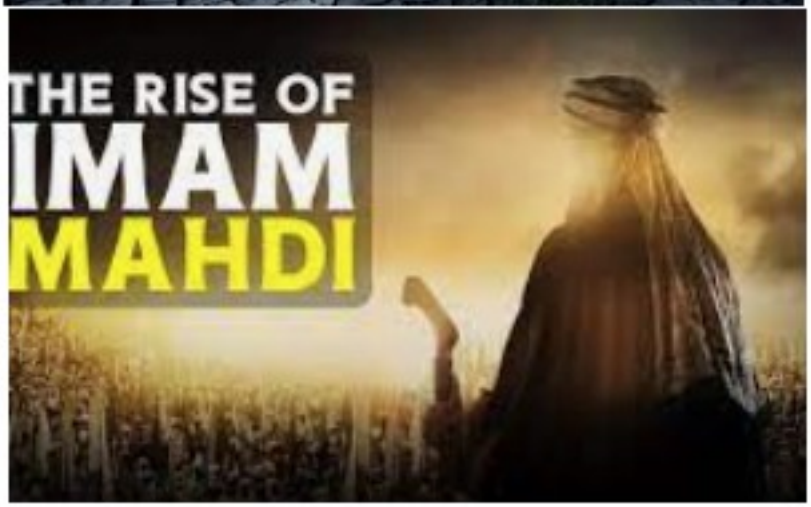
MAHDI
The Great Awaited Leader



THE RISE OF
IMAM
MAHDI

The Mahdi appears to be an alien god based on how he is described. I have not studied the Mahdi. It looks like he has a representative one earth today.

He is an enemy of Jesus, which is why some refer to him as an Anti Christ figure.

Today, their Islamic messiah Mahdi is either at the door like Jesus is or he has a representative or messanger who has started to appear to the Islamic nations.

The Mahdi is falsely depicted with 12 disciples like Jesus which is also an ancient theory regarding many alien gods and their emissaries when you study the subject.

IMAM MAHDI (A.S) IS COMING:
Discourse of Sultan of Saints Mawlana Shaykh
Nazim Al Haqqani An-Naqshbandi Al-Hassani
Ar-Rabbani (Q.S)

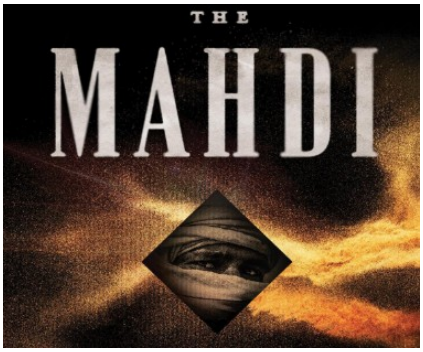
- Some apocalyptic commentators (e.g., from Discover the Book Ministries) argue that the Mahdi matches the description of the Antichrist or the rider of the white horse (conquest) in Revelation 6, rather than the Pale Horseman (Death).

Mahdi seems to be depicted as the white horse next to the black horse in End Time Prophecy who engage in the Gog Magog wars and bring death, pestilence and famine to the lands. These gods seem to act from behind the scenes as the controllers of the events that take place on earth. Let's refer to them as part of Satan's minions.



They landed on Mt. Hermon in Genesis

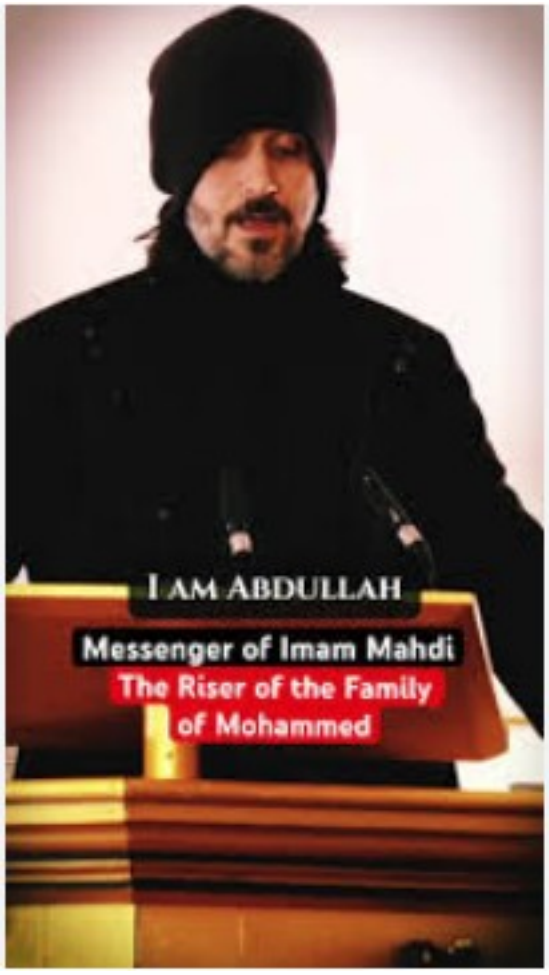
Principalities (Fallen Angels)

This teaching will address what the Bible refers to as principalities and powers. Principalities and powers are not demons, they are fallen angels. Fallen angels have a much greater level of authority than demons. The Holy Spirit says through Paul, "For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places" (Ephesians 6:12 NKJV).

Example of a Nordic Alien Fallen Elohim Watcher who one eyewitness referred to as BEAUTIFUL PEOPLE.

Some refer to them as DARK ANGELS

The Mahdi seems to be one of the Fallen Elohim Watchers administrators under Satan. Satan is one of many names for the leader of the Fallen Elohim Watchers aka evil Alien Angels in the OLD Testiment. Admiral Byrd referred to him as "the MASTER." He has many different names. This Mahdi is a leader who the Islamic cultures seem to emulate.



Spiritual Leader behind the Islamic regime

The concept of a returning savior in the Middle East centers on the eschatological figures of Jesus Christ in Christianity and Islam, and the Mahdi in Islamic tradition, expected to arrive at the end of times to restore justice, defeat evil, and establish peace. Both faiths anticipate these figures to intervene in global events. YouTube +3

Islamic Beliefs (End Times)

- **The Mahdi:** A messianic figure in Sunni and Shia belief, often known as "The Guided," believed to be a descendant of Muhammad who will appear to restore justice and equity to the earth.

The White Horse in prophecy seems to be guided by the Mahdi that engage in the Gog Magog wars where the Black horse represents famine, hardship, scarcity of things and economic poverty, which will be the result of the Gog Magog war. They believe this god will destroy their enemies soon which seems to be why they continue their wars against their neighbors today.

AI Overview

In the Bible, the black horse from the Book of Revelation (Chapter 6) symbolizes famine, economic hardship, scarcity, and poverty, with its rider holding scales to measure out meager food rations, indicating high inflation and severe shortages. The color black signifies mourning, lack, and distress, while the scales represent the rationing of basic necessities like wheat and barley, costing a day's wage for a small amount of food.

Do not trust AI folks they add misinformation, disinformation and lies to their analogies.

WHAT COMES NEXT ON THE 7 YEAR TIMELINE

Soon people are going to experience a major influx of misinformation, disinformation and lies that will include identifying aliens as our creators from other planets instead of evil other dimensional forces that also live inside our earth whose evil history go back thousands of years. All of these Middle East Tribes cow tow to various forms of alien-ology ideologies as their religions. These dark hair dark eyed tribes engaging in BANG BANG BOOM BOOM today are all looking for their Mahdi aka alien saviors to appear. The Mahdi seems to be an alien archetype who is an evil counter part to Jesus, which is why he is referred to as one of the Anti Christ's.

Some say the Mahdi is here. They claim he is the real savior of Islam. These nations hate Jesus

In the Book of Revelation, the seven trumpets **represent divine judgments and warnings, signaling significant events in the end times**. Each trumpet blast releases a specific judgment upon the earth, culminating in the ultimate victory of God. These trumpets are seen as part of God's plan to bring humanity to repentance and establish His kingdom.

IF YOU STUDY THE 7 YEAR TIMELINE BASED UPON WHAT IS HAPPENING TODAY WE APPEAR TO BE IN THE FIRST 3 1/3 OR FIRST HALF OF THE 7 YEAR TRIBULATION
